Dear Anonymous Person:

The San Diego County Sheriff's Department is in receipt of your letter faxed to our office after the close of business on May 1, 2019, seeking records pursuant to the California Public Records Act (CPRA). The Sheriff's Department responds as follows.

With respect to Item 1, we have attached all press releases that have been issued to date by the San Diego County Sheriff's Department pertaining to the shooting at the Chabad of Poway synagogue on April 27, 2019.

With respect to Items 2, 3, 4, 5, 6, 7, and 9, your request is denied pursuant to Government Code section 6254(f), as your request seeks records of a law enforcement investigation. Your request is also denied pursuant to Government Code section 6254(k), as the records you seek are protected by Official Information Privilege (Evidence Code section 1040).

With respect to Item 8, we have attached copies of all CPRA requests and responses thereto up to and including May 2, 2019, the date your request was received.

With respect to Item 10, your request, to the extent that it seeks something other than the items described elsewhere in your request, does not reasonably describe an identifiable public record or records (Government Code section 6253(b)).

With respect to Item 11, I have attached a copy of your request as it was received by the Sheriff's Department.

Sincerely,

WILLIAM D. GORE, Sheriff
